51. Sri B. B. SAYANAK (Belgaum).—

Will the Minister for Educatien be pleased to state :—

(*a*) whether Government has taken over all the Primary Schools in the State by the District School Boards and Municipal School Boards ;

(*b*) if so, when ;

(*c*) whether it is a fact that different ranges for these Primary Schools have been formed and if so, when ;

(*d*) whether it is a fact that City Municipal limit is the limit for determining the range of the Primary Schools ;

(*e*) whether villages like Aryol, Vadgaon, Madhvapur and Majagaon in Belgaum District were included in the City Municipal limits range ;

(*f*) if not, the reasons for non-inclusion ?

Sri K. V. SHANKARA GOWDA (Minister for Education).—

(*a*) Yes.

(*b*) With effect from 21st May 1969.

(*c*) Yes ; with effect from 1st July 1970.

(*d*) The territorial jurisdiction of the erstwhile Municipal School Boards has been the basis for determining the City ranges in Dharwar Division.

(*e*) No.

(*f*) They were not under the jurisdiction of the erstwhile Municipal School Board, Belgaum.

Sri B. B. SAYANAK.—Before putting the supplementary, I would like to correct a small printing mistake at (e). The name of the village is Angol and not Aryol.

The primary schools were taken over on 21st May 1969 and the ranges have been formed after one year, *i.e.*, from 1st July 1970. Was it not the duty of the Government to form the ranges when the primary schools were taken over by the Government ?

Sri K. V. SHANKARA GOWDA.—Yes Sir. It was the duty of the Government and that is why we have created the ranges.

Sri B. B. SAYANAK.—May I know why there was a delay of one year in forming the ranges ?

Sri K. V. SHANKARA GOWDA.—There is some delay because we had to make some adjustments.

Sri B. B. SAYANAK.—Is the Government aware of the fact that Angol, Vadgaon, and Madhavpur are in the Municipal area, and why the schools of these areas have not been merged in the Muncipal range ?

1-30 P.M.

Sri K. V. SHANKARA GOWDA.—These areas do not come under the City education area because they are not the municipal areas. Therefore they have not been included.
